

## 2022 Testing Laboratories

*Updated 4/4/2022*

\*Only the listed testing laboratories may test pre-harvest or post-remediation industrial hemp samples collected by a Trained Sampling Agent to determine a lot's compliance with the Virginia Industrial Hemp Law.

| Laboratory                                 | Website                                                                    | Phone Number |
