

COMMONWEALTH OF VIRGINIA
Department of Agriculture and Consumer Services
State Milk Commission
2022 Producer Class I and Class II Price Release Schedule

The State Milk Commission (SMC) price release dates parallel those of the federal milk order pricing system because several SMC formula components are only available to the Commission on those dates. It is the agency's policy to release prices as soon as practical following the federal announcement. Below is a schedule that details the Commission's release dates and times through the December 2022 class and component prices.

The monthly presumed cost schedule, retail presumed cost schedule, and raw milk price comparison report are communicated on the Class I announcement dates indicated above. ***Prices will be released as soon as possible on the announced date, but may take until 5 PM to be posted.***
